

bestaande boerderij

An aerial photograph of a rural area. In the center, a farm complex is outlined with a red dashed line. The complex includes several buildings with red roofs, a large dark structure, and a parking area with cars. To the left is a large brown field, and to the right is a large green field. In the top left, there are residential houses and a road. A dashed arrow points from the top left towards the farm complex. Two orange text boxes with white text are overlaid on the image: 'bestaande boerderij' on the left and 'te slopen opstallen' on the right. A dotted line connects the two boxes across the farm complex.

te slopen opstallen
