

The image is a detailed architectural site plan for a residential development. It features a central green space with a winding path, several circular tree symbols in various shades of green, and a blue pond. A large, irregularly shaped orange area is situated in the center of the green space. To the left, a large yellow area is labeled 'Woongebied nader in te vullen'. The plan also shows a brown building complex, a green oval-shaped field, and various streets and building footprints in white outlines.

**Woongebied
nader in te vullen**
