

This architectural site plan illustrates a residential development layout. The plan features three main building blocks arranged in a U-shape around a central courtyard. The top block is a long, narrow structure with a central entrance labeled 'ENTREE' and a 'KISS & RIDE' area. It includes a 'TERRAS' and a 'BEWONERSTUIN WAALBOOG'. The middle block is a larger, rectangular structure with a central 'ENTREE' and a 'TERRAS'. The bottom block is a long, narrow structure with a central 'ENTREE' and a 'TERRAS'. The central courtyard is landscaped with 'VERHOOGDE BORDER VASTEPLANTEN i.c.m. SIERGRASSEN & HEESTERS', 'BINNENTUIN', and 'ZITELAND + MEERSTAMMIGE BOOM'. The site is bordered by 'VOSSENLAAN' to the west and 'VOSSENLAAN' to the east. The plan also shows 'PARKEREN' areas with 8 and 22 parking spaces, 'HAAGSTRUCTUUR' (hedge structure), 'MEERSTAMMIGE BOMEN' (multi-stemmed trees), and 'VERHOOGDE BLOEMBORDER + ZITRAND' (raised flower border + sitting edge). Other features include 'LOOPPOORT' (loop gate), 'BERGING' (storage), 'VLINDERTUIN' (butterfly garden), 'TUINAFSCHIEDING KLIMPLANTEN' (climbing plant screen), 'PASTOORSPADDE' (pastor's path), 'BESTAANDE BOOM' (existing tree), 'HEESTERBOL' (hedge ball), 'VOORTUINEN' (front gardens), and 'AUTO ENTREE VOSSENLAAN' (car entrance Vossenlaan).
