

The map shows a topographic view of the Teuge area. A blue polygonal area is overlaid on the map, with numerical values (10, 20, 30, 40, 45) indicating a specific project or study area. The map includes labels for various locations such as De Weertkamp, Het Weert, Teuge, and others. The blue lines form a series of connected points, creating a shape that follows a path or boundary. The numbers are placed at specific points along this boundary, possibly representing elevation or distance. The map also shows various roads, fields, and buildings, providing a detailed geographical context for the study area.
