**Aanzichten en doorsnedetekeningen van het stationsgebouw**

The diagram consists of six technical drawings of a station building, arranged in two rows of three. The top row shows the right side view, rear view, and a cross-section with RM6 NE-DI equipment. The bottom row shows the left side view, front view, and a cross-section with HR20M equipment. Each drawing includes labels for 'Geotextiel' and a ground level marker '±0.000'.

**Monteer M36-draadhuizen aan de voorzijden voor de transportbeveiliging!**
