

## LEGENDA

The diagram illustrates the components of a cadastral map:

- Besluitgebied**: Boundary, represented by a rectangle with black dots at the vertices.
- Besluitgebiedgrens**: Boundary line, represented by a line connecting the black dots.
- Besluitvlak**: Plot area, represented by a light gray rectangle.
- Verklaring**: Declaration, represented by a small square grid labeled A through F.
- Ondergrond**: Ground, represented by a large light gray rectangle.
- Dorpsstraat 21 Bergen**: Street address, located next to the ground area.
