

1.4 BEZONNING

Uit onze bezonningsstudie blijkt het nieuwe gebouw nauwelijks of geen invloed te hebben op de bestaande bebouwing. Zelfs in de wintersituatie is er in de ochtend nauwelijks schaduwval op de omliggende woningen of tuinen.

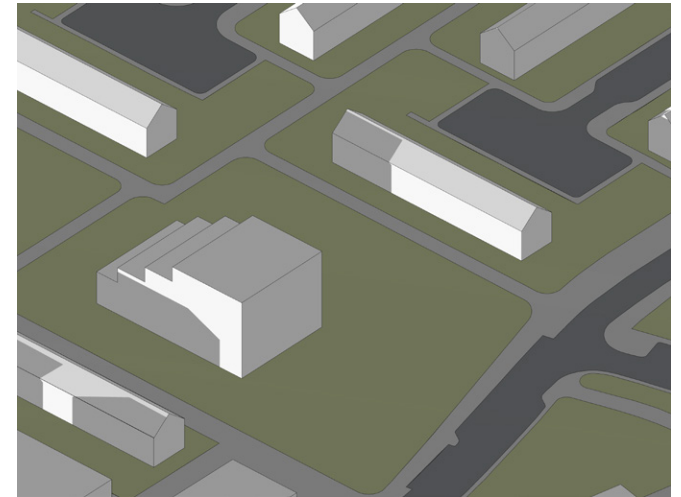

Winter

ochtend - 9.00u

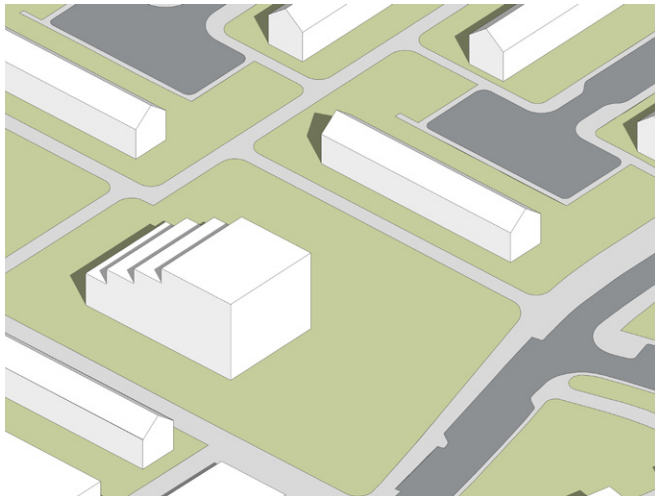

middag - 12.00u

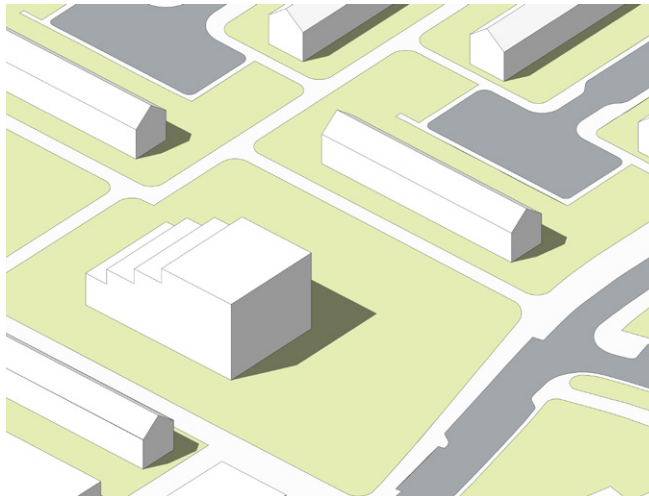

avond - 17.00u

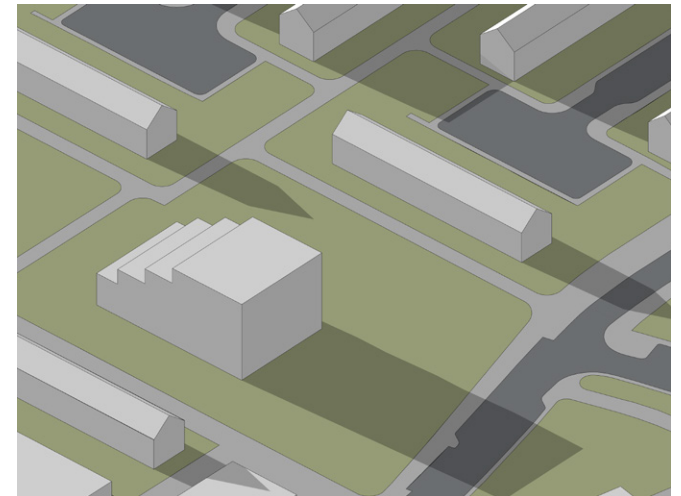

Lente

ochtend - 9.00u

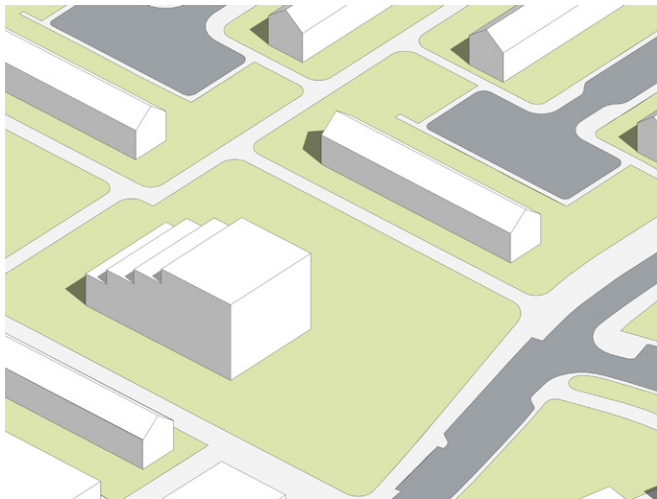

middag - 12.00u

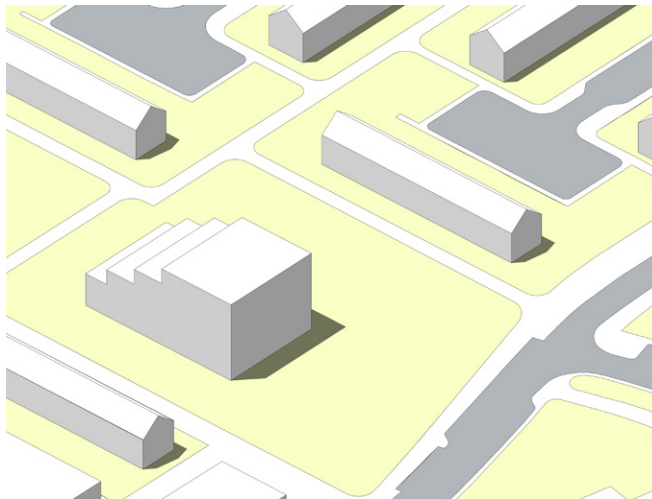

avond - 17.00u

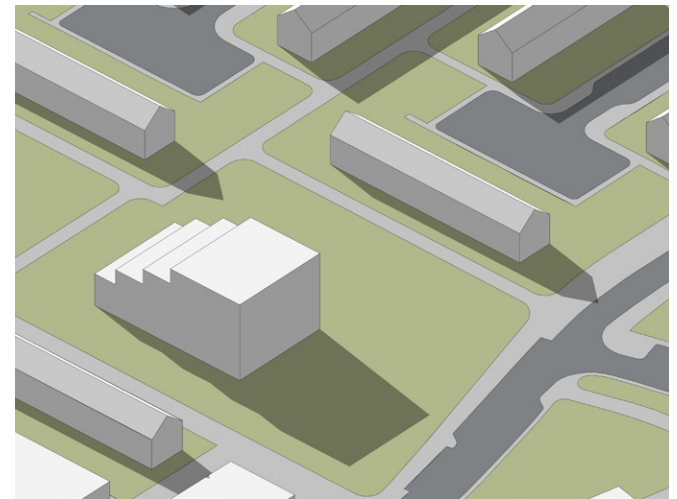

Zomer

ochtend - 9.00u

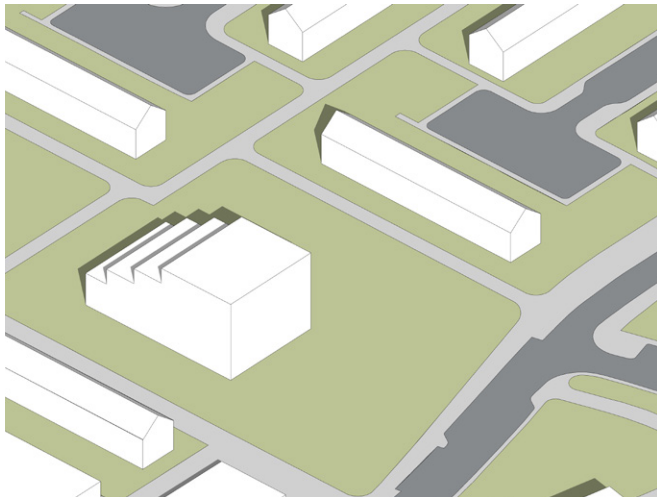

middag - 12.00u

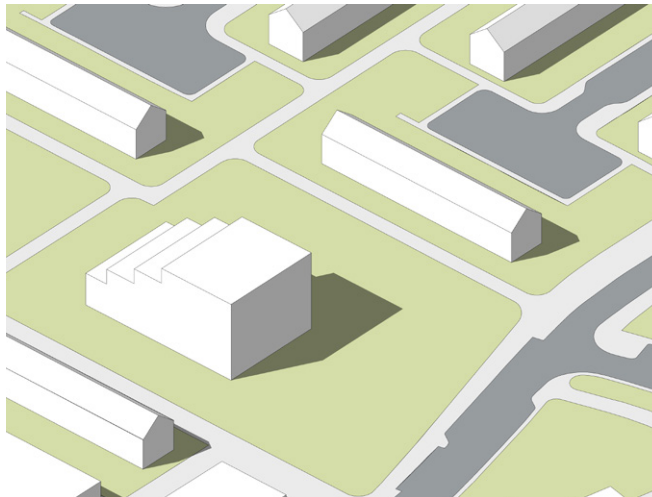

avond - 17.00u

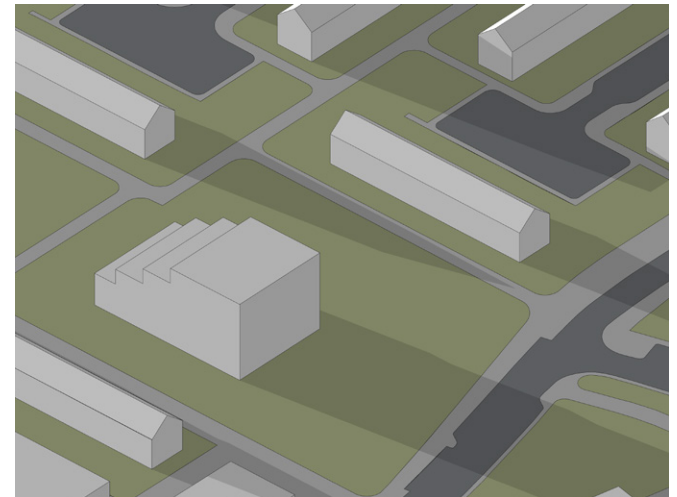

Herfst

ochtend - 9.00u

middag - 12.00u

avond - 17.00u
