

LEGENDA

- The diagram consists of six labeled components arranged in two columns. The left column contains three items: 'Besluitgebied' (represented by a rectangle with black dots at the vertices), 'Besluitvlak' (represented by a gray rectangle), and 'Verklaring' (represented by a grid pattern). The right column contains three items: 'Besluitgebiedgrens' (represented by a line connecting the black dots), 'Marktstraat 3-5, Zwartsluis' (represented by text), and 'Ondergrond' (represented by text).
